

ENID/STI Conference on

Actors and networks in European Science

Rome, CNR - Consiglio Nazionale delle Ricerche

7th- 9th September 2011

Conference Programme

Wednesday 7th September 2011

09.30: Opening of the registration

10.15 – 11.00: *Opening session*

- Welcome (President of the Italian National Research Council).
- Presentation of the program and of the thematic sessions (Benedetto Lepori, University of Lugano and Emanuela Reale, CNR CERIS, Rome).
- Presentation of the poster session (Stig Slipersaeter, NIFU, Oslo).

11.00 – 12.15: Paper presentation in plenary session (chair: Secondo Rolfo, CERIS CNR)

[International Mobility among EU Researchers in the Higher Education Sector and the Non-University Research Institutes Sector](#) (Aris Kaloudis, NIFU, Oslo).

[Public-private research co-publications: an indicator of European science-based innovation?](#) (Robert Tijssen, University of Leiden).

12.30: Lunch

14.00 – 16.30: Paper presentations in parallel sessions

Session 1. [Science mapping and classification of research fields](#) (chair: Ton van Raan, University of Leiden).

Session 2. [Funding and human resources](#) (chair: Maria Nedeva, University of Manchester).

16.30: Coffee break

17.00 – 18.15: [Keynote speech: cooperation and competition in social networks. Implications for Science and Technology Indicators](#)

Speaker: Frans Stokman, University of Groningen

Discussant: Philippe Larédo, University of Paris Est

18.30: *Apero and welcome at CNR*

Thursday 8th September 2011

9.00 – 10.30: Paper presentations in parallel sessions

Session 3. [Innovation indicators](#) (chair: Robert Tijssen, University of Leiden).

Session 4. [Higher education indicators](#) (chair: Ben Jongbloed, University of Twente).

10.30: Coffee break

Session 3. [Innovation indicators](#) (chair: Francesco Lissoni, University of Brescia).

Session 4. [Higher education indicators](#) (chair: Andrea Bonaccorsi, University of Pisa)

12.30: *Lunch*

14.00 – 16.00: Paper presentations in parallel sessions

Session 5. [Indicators on small countries](#) (chair: Sybille Hinze, IFQ, Berlin).

Session 6. [Indicators on university third mission and social impact](#) (chair: Paul Wouters, University of Leiden)

16.00: Coffee break

16.30 – 18.00: Special session: advances in statistics and international organizations. Presentation of future strategies and on-going work from the European Commission/Eurostat and OECD (chair: Benedetto Lepori, University of Lugano)

Speakers: Fernando Galindo-Rueda, OECD, Paris; Matthieu Delescluse and Johan Stierna, Directorate General for Research and Innovation, European Commission, Brussels.

Discussants: Philippe Larédo, University of Paris Est, Giulio Perani, National Italian Statistical Institute.

19.00: Conference Dinner

Friday 9th September 2011

9.00 – 10.30: Paper presentations in parallel sessions

Session 7. [Indicators for the evaluation of research programs and groups](#) (chair: Emanuela Reale, CNR CERIS, Rome).

Session 8. [Indicators for performance measurement](#) (chair: Henk Moed, Elsevier).

10.30: Coffee break

11.00 – 12.30: Paper presentations in parallel sessions

Session 7. [Indicators for the evaluation of research programs and groups](#) (chair: Emanuela Reale, CNR CERIS, Rome).

Session 9. [Heterogeneous data sources for the measurement of research output](#) (chair: Ton Nederhof, University of Leiden)

12.30: *Lunch*

13.30: *General assembly of the ENID association*

14.30 – 15.30: Plenary session. Paper presentation (chair: Philippe Larédo, University of Paris Est)

[U-Map and U-Multirank: some first results and reflections on two new profiling and ranking tools for higher education institutions](#) (Ben Jongbloed, University of Twente)

15.30: Closing of the conference and announcement of 2012 and 2013 conferences

Eric Archambault (Science Metrix, Montréal) and Stephan Hornbostel (IFQ, Berlin)
